

## **GREENPEAK Partners Becomes a Signatory of the UN Principles for Responsible Investment (UNPRI)**

[Munich, 31 August 2023] – GREENPEAK Partners, an entrepreneurially driven dynamic private equity firm, active in DACH’s small- and mid-cap markets, is proud to announce its commitment to responsible investment practices by becoming a signatory of the United Nations Principles for Responsible Investment (UNPRI). This significant step reflects the firm’s dedication to incorporating environmental, social, and governance (ESG) considerations into its investment strategies and operations.

The UNPRI is a global initiative that encourages investors to adopt sustainable and ethical practices in their decision-making processes. By joining this initiative, GREENPEAK Partners is reaffirming its pledge to integrate ESG factors into its investment decisions, actively promote responsible business practices among its portfolio companies, and contribute to a more sustainable financial industry.

Daniel Beringer, Managing Partner at GREENPEAK Partners: "At GREENPEAK Partners, we believe that responsible investing is not only an ethical imperative, but also a sound business strategy. Becoming a signatory of the UNPRI further aligns us with our purpose “Building sustainable businesses and partnerships.” It reinforces our commitment to generating long-term value for our investors, while also considering the broader impact of our investments on society and the environment.”

“This important milestone underscores our dedication to embedding ESG principles into every aspect of the investment process.”, states Valentina Stadler, ESG Officer at GREENPEAK Partners. “By integrating sustainability and responsible governance practices, we are better positioned to drive positive change and deliver sustainable returns for our investors.”

By embracing the UNPRI principles, GREENPEAK Partners is taking a proactive role in shaping the future of responsible investing, demonstrating its dedication to creating value not only for its investors, but also for the global community.
